Hey Scott,

We received the Notice of Error reply you submitted asking to remove Christina Luther from the water right and add Jennifer McMillan in her place.

I tried to call (208) 669-0452, but couldn't get through or leave a message. I thought I would try to e-mail you the information.

This is going to have to be a two-step process: 1) Remove Christina Luther, and then 2) add Jennifer McMillan.

In order to remove Christina, you are going to need to submit a [Notice of Change in Water Right Ownership](#) form along with a copy of the divorce decree or deed that shows Christina no longer has interest in the property.

Then, unless Jennifer McMillan is on the current deed, you will need to amend your claim to add her to the claim. If she is on the current deed, then you could complete both steps through the [Notice of Change in Water Right Ownership](#) form. You will just need to submit the completed form along with the deed that shows current ownership of the property.

We are planning on sending the recommendations to the court at the end of the month so I would encourage you to submit the [Notice of Change in Water Right Ownership](#) as soon as you can. It would be good if we could make these changes before the recommendations go to the court, but it isn't the end of the world if we don't.

Respectfully,
