Good afternoon,

I am emailing you in regards to our phone conversation this morning. Attached to this email is a nearly complete Notice of Claim to a Water Right for the cottage we discussed. Below are further instructions required from you:

- #2, Date of Priority: In the adjacent space, write in the claimed priority date (when the cottage began using the water).
- #12, Priority Date Explanation: Write a short statement about why you chose that priority date.
- #14, Signatures: You and/or Lori Jewett sign and date the document.
- Fee: Provide a check payable to IDWR for the amount of \$25.00.

This claim is nearly identical to claim 87-11683 except the description in #8, I added the adjacent QQ we discussed on the phone on #9, and I noted the claim number for the phone on #11. Review the claim for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it.

Also attached to this email is an updated preliminary recommendation for 87-11683. The only change made was adding the SENW quarter-quarter to the Place of Use legal description which we discussed over the phone.

Please mail the completed Notice of Claim and fee back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to reach out to me.

Sincerely,

Christopher Holmes
