Subject: Water Right Claim Number 87-11934

To: Kathryn Jackson

Hello Kathryn,

This email is a response to your Notice of Error reply to our recommendation of water right number 87-11934 in which you stated that your neighbor shared the use of the well on your property. We're aware of this because that neighbor (Michelle Reynolds) filed a Notice of Claim for their usage, on their property, from the well on your property. It's claim number 87-10360.

When we have the situation where an individual has a shared well; we place a comment on each of the water rights indicating such. It reads "Right Nos. 87-11934 and 87-10360 are diverted through the point of diversion described above."

I hope this addresses your concerns. Please let me know right away if it doesn't as Director's Reports will be submitted to the Court soon and after that any issues will need to be address through court procedure.

Sincerely,

Linda Werner
