David Seurnynck,

The Idaho Department of Water Resources (IDWR) was previously contacted by the CSRBA Court to inquire if we had received an amended claim correcting the season of use for claim 95-11691. IDWR was informed that you were previously contacted by the CSRBA Court, and that you would be reaching out to us for assistance filing an amended claim to correct revise the season of use from 1/31 thru 12/31 to 1/1 thru 12/31.

Since first being contacted by the Court, IDWR has made several attempts to contact you and assist you with amending the claim. Letters enclosing prepared Amended Notice of Claim forms were sent to you on February 1, 2021 and on May 5, 2021. IDWR also reached out by phone on June 2, 2021 at the number listed on your original claim, (208) 691-8399, and left a message requesting contact to amend the claim.

As of this date, IDWR has not received an amended claim for 95-11691 or any return contact acknowledging our requests. The Court has ordered a Status Conference for this subcase to be held Tuesday, July 27, 2021 at 09:00 AM (PT). If IDWR does not receive an amended claim or return correspondence from you prior to that status conference, we will report to the Special Master that all our attempts to contact you were unsuccessful and your water right claim will likely be decreed as previously claimed (1/31-12/31). If you wish for this water right to be decreed with a year-round season of use, it will be in your best interest to sign and return the attached Amended Notice of Claim to our address listed below.

Please feel free to contact us if you have any questions or concerns.

Best Regards,

Evan
