RE: Ownership of Water Right No. 95-10486

Dear Property Owner,

Our office has been advised that you may be the new owner of Kootenai County parcel 53N02W177950, which includes the water right referenced above.

As per the parcel ownership data we have reviewed, it appears that water right 95-10486 is appurtenant to the property you own. Before we can modify our records to reflect your ownership of this right, we need to have the enclosed Notice of Change in Water Right Ownership form completed and submitted with the proper conveyance documents reflecting your ownership. A copy of the signed and notarized warranty deed works best for this purpose. Please follow the instructions included with this form and return it to our office with all the required information. As this right has already been decreed by the Court, a \$25.00 processing fee must also be included with the ownership change documentation. I have enclosed a copy of the prior water right decree for your reference.

If you have any questions regarding this matter, please contact our office at 208-762-2800.

Best Regards,

Evan W. Roda
Water Rights Supervisor
Northern Region
