Good morning,

I have spoken to Jerilynne Ziemann Schulz regarding the Notice of Error Replies the Department has received by both JEZ Ranch LLC (you), Janice Geyer and Ziemulz Farms LLC. We have a plan to resolve all issues/concerns.

Below are the actions that will be completed to address you and Ms. Geyer's Notice of Error Replies:

- 87-11163 (well): I will send Jerilynne Ziemann Schulz an amended claim to increase the stockwater quantity to .03 cfs. She will sign and date it and send it back to me.
- 87-11168 (unnamed stream): I will send Jerilynne Ziemann Schulz an amended claim to increase the stockwater quantity to .02 cfs. She will sign and date it and send it back to me.
- 87-11171 (spring on lower property): I will recommend the stockwater component, and will send Jerilynne Ziemann Schulz an amended claim to claim the 1891 priority date. She will sign and date it and send it back to me.

Below are the actions that will be completed to address Ms. Ziemann Schulz's Notice of Error Reply:

- 87-11171 (spring on lower property): I will recommend the stockwater component.
- None claimed Cow Creek: She wants to claim stockwater use from Cow Creek, which was not claimed. I will send a claim to her with the same claimants for her to sign and date and send it back to me with a \$25.00 fee.

Based on the Notice of Error Replies and my conversations with all of the claimants who replied to the Notice of Errors, these actions should resolve all issues between the parties. I am drafting the Amended Claims and the New Claim today, and I will send them to Ms. Ziemann Schulz as soon as possible.

If you have any questions or concerns, feel free to reach out to me.

Sincerely,

Christopher Holmes

I apologize for not getting back to you. I have been out of town since Thursday, June 8th, and will not be back in town until late Thursday, June 15th. Would Friday, June 16th work for you to call back?

Good afternoon,

I am emailing you in regards to a Notice of Error Reply received for water right claim 87-11171. I called and left a voicemail on July 8th, but have not heard back. I've spoken with James Ziemann and Janice Geyer regarding all 3 claims 87-11163, 87-11168 and 87-11171. I have addressed their concerns and begun developing a solution to their issues. One of these issues includes the disallowal of 87-11171, which is the recommendation you had issues with.

To get the issues resolved, I need you to contact me. I can update you on my discussions with the other claimants and the steps needed for the Department to change the recommendation(s). Amended claims will be needed to correct all claimants' issues. It looks like Jerilynne Ziemann Schulz was the original signer on behalf of Ziemulz Farms LLC for all 3 claims. Because of this, it is their responsibility to file and sign for any amendments to the original claims.

Sincerely,

Christopher Holmes
