RE: Ownership change of Palouse River Basin Adjudication (PRBA) Water Right Claim No. 87-11697

Dear Claimants:

The Department of Water Resources has received your Notice of Change in Water Right Ownership for the Palouse River Basin Adjudication (PRBA) Water Right Claim referenced above. We are unable to make the requested ownership change of this claim for the following reason:

Even though you have enclosed copies of Mr. and Mrs. Nelson's death certificates and the Trust showing the three of you as Trustees, there is no document showing the transfer of the property into your names. We will need a copy of a recorded Deed showing the legal transfer of the property into your names before we can change the ownership. Please send a copy of the recorded deed as soon as possible, to ensure it is recorded with the courts in the correct owner's name(s).

I will hold your change of ownership form for 30 days from today. If I get no response from you, the documents will be returned to you unprocessed.

You can e-mail it to me at Dawn.Lenon@idwr.idaho.gov or send in the mail to the above address.

Also, there is no fee for Adjudication changes of ownership, so we have initiated a refund of \$25 and you should be receiving it in the next 2 to 3 weeks.

I'm sorry for any inconvenience this may have caused you. If you have any questions, please feel free to call me at 208-762-2800.

Thank you,

Dawn R. Lenon
