OFFICE OF THE
ATTORNEY GENERAL

Dear Clive;

Re: In re the General Adjudication of Rights to the
Use of Water from the Snake River Basin Water
System Civ. No. 39576 (5th Jud. Dist. Twin
Falls).

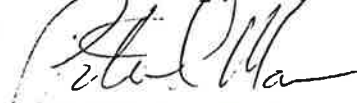

Please find enclosed a revised Notice of Claim to a Water Right for Domestic and Stockwater purposes, for use at the Nez Perce National Historic Park. The Park Service has recently discovered information which indicates that the priority date previously claimed for this right was in error, and that the correct date should be September 30, 1950. A copy of a newspaper article supporting this priority date is also enclosed for your information.

As you know, after one extension, the deadline for filing a negotiated agreement for the Park Service (excluding City of Rocks and Hagerman Fossil Beds) is August 25, 1989. The United States is anxious to move forward on negotiations over the rights of the Park Service and the other agencies identified in Amendment No. 1 to the Scheduling Order for United States Water Right Claims, dated April 3, 1989. It has been several months since we last communicated on the Park Service claims, among others, and we would be happy to discuss any questions or concerns which you may have at the earliest possible date.

MICROFILMED
FEB 18 1993

Please let me know if the federal government can be of any assistance in expediting these negotiations.

Sincerely,

Peter C. Monson
Attorney, Indian Resources Section

Dear Clive;

Re: In re the General Adjudication of Rights to the
Use of Water from the Snake River Basin Water
System, Civ. No. 39576 (5th Jud. Dist. Twin
Falls).

Enclosed please find the United States' claims on behalf of the Bonneville Power Administration. You will notice that the claims are for appropriative rights for domestic purposes less than 13,000 gallons per day. Pursuant to the Court's federal scheduling order, negotiations on the water right claims are due to be completed by October 31, 1989. Please let me know if you believe that further negotiations are necessary. Otherwise, we expect that these claims will be filed and included in the Director's report to be submitted to the Court.

If you have any questions, do not hesitate to contact me.

Sincerely,

Peter C. Monson
Attorney, Indian Resources Section
