RE: SRBA Claim(s) 36-14162

Dear Claimant:

Please find the enclosed copy of the Notice of Administrative Proceeding which the department has filed with the SRBA Court regarding the above referenced claims. You have received this notice pursuant to SRBA Court Administrative Order 11 requiring IDWR to report to the court and interested parties any pending changes to adjudication claims in basins for which a Director's Report has been filed with the court.

Our records show the above claim to be in the name of Lee Adcock not David and Mary Brown. Since the documents you provided show the transfer of ownership from the Browns to you, we need some kind of proof (warranty deed, quitclaim deed, deed of trust) which transferred ownership of the property from Mr. Adcock to the Browns. Copies of these documents may be obtained from the Jerome County Recorder.

After IDWR completes the indicated administrative process, and has modified the SRBA claims, you will be forwarded a Notice of Completed Administrative Proceeding. Please contact this office if you have any questions about the notice or the administrative process.

Sincerely,

Trish Fawcett

Re: Water Right Ownership

This Water right is a real problem. First a note needs to be made that an interpreter will be needed the owners are spanish. The property was split and one well feeds two houses, the two houses split the cost of the water pump installed in the well. These costs are paid by the Sedanas and Ken Brott who also owns his own water rights (see claim no 36-14460). The original owner Lee Adcock passed away and according to the Sedanas (new owner) the house was purchased by an Estate sales company sold to the Browns who in turn sold to the Sedanas. Are you confused yet?

According to the Deed of trust and the Quitclaim Deed Sedanas have easement to the well. What does that mean?
