Re: Motion for Determination of Deferrable De Minimis Domestic or Stock Water Use – Claim 86-12094

Dear Mr. and Ms. Whiteley,

I was reviewing the file for claim 86-12094 and see that IDWR submitted its “Notice of Examination of Deferred De Minimis Domestic and/or Stock Water Use” in connection with claim 86-12094, on July 14, 2021. It does not appear that IDWR has received the examination fee of \$100 has been received yet.

IDWR cannot move forward to review the claim and prepare a recommendation for 86-12094 until the examination fee is received. For your convenience, I am including copy of the Notice of Examination for 86-12094.

Please feel free to contact me if you have any questions.

Respectfully,
