Claim #A37-00297G - Richards - Blaine County

Dear Mr. & Mrs. Richards:

Please find enclosed a computer prepared form of the water right claim you submitted last year. You may have received a claim at that time with a slightly different identification number shown in the upper right hand corner. The previous identification water right number was a duplication of someone else's claim for a part of the same initial water right from the Frost Decree. In any future correspondence or inquiries about this water right, the above identification water right number will correspond to the water right claim to your name.
