37-364B Claim: This claim excludes the 0.13 cfs identified as river losses otherwise the claim tracks the transferred right.

37-364D Claim: This claim represents allocations right 37-364G and otherwise tracks the transferred right.

37-364E Claim: This claim was filed for 0.94 cfs based upon a letter. However based upon T-2617 the appurtenant rate is actually 0.64 cfs. The corresponding allocations right is 37-364B.

37-364F Claim: The base right for this claim is 37-364E that was created through T-3426. Transfer T-4527 was subsequently filed to allow pumping from a well and this right is to be left in the river as mitigation for river losses.

37-364G Claim: This claim is based upon allocations record 37-364J which was created through T-3492.

37-364H Allocations record for 0.08 cfs represents the un-transferred portion of the original right and there is no associated adjudication claim against this right.

Glendale Farm LLC

Dear Mr. Speck:

Pursuant to the change in ownership request that has been submitted to the Department, we have changed the record of current ownership to your client. Please find the enclosed copies of the computer records of the claim(s) noting the change in claimant. Review these records and if there is an error, or you have any questions, please contact this office.

The deed submitted with the ownership change conveys water right 37-363 in the amount of 81.50 inches (1.63 cfs). Claim 37-363B is actually for 101.50 inches (2.03 cfs). Since no split was indicated on the owner change form and all the property was conveyed, I changed ownership of the entire claim to Glendale Farm LLC. If I made the change in error, please contact me with instructions on the disposition of the 20 inches in question.

Sincerely,

RE: Snake River Basin Adjudication
Tick Tock/Sawtooth Title/McWinlin/Tidwell/Heatherlands/Girton
Blaine County

Dear Mr. Speck:

I am forwarding to you the following copies of the claims which we discussed on the phone on Monday, March 27. All of the claims which we discussed, with the exception of the eight Glendale Farms claims, have been processed and are in the permanent files at region. Minor computer functions are the reason that some of the claims did not show up when you queried the system. These functions will be corrected in the future.

In regard to the Girton claim, A37-12235, you are given this opportunity to modify this claim. The claim, as presented, conflicts with the Ground Water Statute at §42-230, Idaho Code and Water Appropriation Rules and Regulations, paragraph 2,15. You may modify this claim in Item 9 to list 1 domestic use, and submit a separate claim for the second domestic use with a priority date of when the second domestic use began. If the modified claim and a second claim is returned to my attention with a copy of this letter by April 29, 1989, you will not be assessed a late filing fee.

The Glendale Farms claims present a different problem. As we discussed on the phone, the signature block is not appropriately signed and we can not process these claims. As you mentioned, all of the claims were incorrectly signed. If you would please reprint the claims listed below, have the appropriate agent sign in the organizational block and send these claims to Mr. Carter Fritchle by April 29, 1989, we will be able to continue processing these claims. There is no need to submit any attachments. We will use the attachments from the original claims.

I hope this helps clear up some loose ends. Let me know if I can be of any assistance.

Sincerely,

Helen Harrington

RE: Glendale Farms Partnership
Snake River Basin Adjudication Claims

Dear Helen:

As we have discussed over the telephone, I have obtained and am enclosing a copy of the Partnership Agreement for Glendale Farms Partnership. As you can see, RDM Ventures, a general partnership, is a general partner of Glendale Farms Partnership. Mr. Lallman is, in turn, a general partner of RDM Ventures. Under Idaho law, any general partner may sign on behalf of the general partnership.

I hope this clears up the situation so that the Claims can finally be processed. If you have any further questions, please contact my associate, Tracy Dunlap, as I will be out of the office until April 25, 1989.

Thank you for your continuing cooperation and assistance in these matters.

Sincerely yours,

HOGUE, SPECK & AANESTAD
