

AMENDED DIRECTOR'S REPORT

Subcase No. 95-13817

In Re CSRBA

Twin Falls County Civil Case No. 49576

Report to the CSRBA District Court

Prepared by the Idaho Department of Water Resources
Gary Spackman, Director
Craig Saxton, Manager, Adjudication Section

August 30, 2021

DESCRIPTIVE SUMMARY

This is an Amended Director's Report submitted by the Director of the Idaho Department of Water Resources (IDWR).

DISCUSSION

On February 26, 2019, IDWR filed a Director's Report for the Doris Woodward's Water Right No. 95-13817, for domestic purposes. No objections or responses have been filed, and the objection and response deadlines have passed. A Notice of Completed Administrative Proceeding along with an Amended Director's Report were filed on July 30, 2021, substituting John Woodward and Susan Platt as claimants of Water Right No. 95-13817.

An inadvertent error had been identified in the claimed season of use in the Purpose and Period of Use element for Water Right No. 95-13817, and was carried to the Director's Report. The season of use was intended to be claimed as a year round use, and should have been described as **1/1 to 12/31**. The error in the claim has been corrected.

The Director submits for filing with the Court an Amended Director's Report for the aforementioned subcase (see attached recommendation).

CRAIG L. SAXTON
Manager, Adjudication Section
