RE: Ownership Change of Palouse River Basin Adjudication (PRBA) Water Right Claim No. 87-11697

Dear Trustees of the Harold & Geraldine Nelson Revocable Trust,

We have received your Notice of Change in Water Right Ownership for the Harold & Geraldine Nelson Revocable Trust, water right # 87-11697. I understand that a while ago one of you spoke to Tammy in our office and explained to her that all you wanted to do was add the 3 names as Trustees. I apologize that this has taken so long for me to get to it, as I am the only one in our office that processes these and I have been out of the office.

After looking at the paperwork we received from you, I will need a little clarification on a couple things. According to the Trust paperwork you included, I will need to change the way the original claimant was data entered, which in turn will change the way the "New Owner" will be entered. I am enclosing a new Notice of Change in Water Right Ownership for you to look over and verify everything is correct, then sign and date and return to me so I am able to add the three names you requested.

If you have any questions, feel free to call.

Sincerely,

Dawn R. Lenon
