Decreed Water Rights 37-13139A, 37-13156, 37-13157, 37-13158

Dear Mr. Davis:

Pursuant to the change in ownership request that has been submitted to the Department, we have changed the record of current ownership. Please find the enclosed copies of the computer records of the claim(s) noting the change in claimant. Review these records and if there is an error, or you have any questions, please contact this office.

As I discussed with Mrs. Davis on the phone awhile back, claim 37-13155 contained the legal description of two tracts that appear to be owned by Bryant Ranches. They are the west half of the northwest quarter of section 34, township 1 north, range 15 east. The only way to correct this discrepancy is for you to amend this claim. I have taken the liberty of producing an amended claim with the west half of the northwest quarter of section 34 removed. Please carefully review the amended claim and if you agree with the change, complete the signature area (item 16) on page 3 (be sure to have your signature notarized) and return it to me in the enclosed self-addressed envelope. As soon as I receive the amendment, I will make the change permanent in our electronic records and confirm to you by mail that I have done so. Thanks for your prompt attention to this matter and should you have any questions, please do not hesitate to phone me.

15. Basis of Claim: DECREED
Case Number:
Court :
Decree date:

Decree Plaintiff

vs

Decree Defendant

Smith transferred his land together with all ditches and water rights thereof, including his Decree to $\frac{1}{2}$ of all the water of Elk Creek and $\frac{3}{4}$ of all the water of Minehaha. In 1906, before the Frost Decree, Anay Calton owned the land formally owned by Mr. Smith and he sold it to William L. Leonard together with all right, title and interest of the grantor herein in and to one-half($\frac{1}{2}$) all the water of Elk Creek and three-fourths($\frac{3}{4}$) all the water of Minehaha Creek, with the irrigation ditches and rights thereunto appertaining. (Book 67 of Deeds, page 318, Blaine County records.)

Through these deeds and transfers of title Leonard owned $\frac{1}{2}$ of all the water of Elk Creek and $\frac{3}{4}$ of all the waters of Minehaha and in 1911 he and his wife, Clarice gave William H. Peck a Warranty Deed for this same land together with $\frac{1}{2}$ of all water of Elk Creek and $\frac{3}{4}$ of all water of Minehaha Creek. This was not the same land owned and or irrigated by Herman Mehle.

In about 1895 Milo Farris sold his land to Frank Worthington and that deed was lost, so when Mehle bought the land in 1898 he had to clear the title and fearing because of this he may have lost his half of the water he put in under the Frost versus Alturas Water Co. to secure his water right.

Herman Mehle and his wife Minnie recognized William H. Peck's right to half the water and an agreement was reached between the two parties and recorded in Book 74 of agreements, page 81, Blaine Co. records, and each one took $\frac{1}{2}$ of the water of Elk Creek and Herman Mehle took all the water of Minehaha Creek.

In 1936 William H. Peck and wife Laura bought the land owned by the estate of Herman Mehle. Therefore William H. and Laura Peck owned all the waters of Elk Creek, or($\frac{1}{2}$ of all the water of Elk Creek plus 155 inches that Mehle had,) for irrigation and domestic purposes.

William H. Peck was very proud of this water right and during the irrigating season no water was ever allowed to be used or even leave the place. I worked on the place in the early 1940s and have been closely associated with it ever since that time and know the water was never used anywhere but on this land during the irrigating season.

In 1956, William H. Peck and Laura Peck got a divorce, Decree 26508, signed by District Judge Merlin Young. In that decree the water rights were specifically set apart and William Peck received the east half of section 26 together with $\frac{1}{2}$ of all the water and water rights hereto-fore owned and used by the parties hereto on their joint lands and Laura Peck got the other half of all the water and water rights to be used on her lands in section 25 and 36. This water has been used in this manner on this land by the tenants ever since the divorce and by my wife and I since we purchased the Laura Peck land and by Viola Whitney, the heir to the William Peck land.
