Subject: Valley Club

Hello Mr. Brockway,

Due to Dave Tuthills appointment to acting Director, I am handling his recommendations for Basin 37. I was forwarded this message and received it Monday morning. I called but was told you were in a meeting this morning. I though I would drop you an e-mail and hopefully save you some time.

I completed the amended recommendations for 37-577BU and 37-577BV as well as 37-494, 37-495, 37-833K, 37-2623 on Friday. I do not know if you had a chance to review those recommendations before you called and left a message for Dave T. Anyway, I think I have some new information for you regarding the recommendations.

First of all, Allen Merritt at Southern Region (IDWR) forwarded me a shape file for the Valley Club POU. I used that shape file and recommended 143.8 acre POU as requested for SRBA recommendations 37-494, 37-495, 67-577BV, 67-833K and 37-2623. The acreage distribution might be a little different due to rounding but it is the shape you provided. In addition, I updated the limiting conditions for recommendations 37-494, 37-495, 67-577BV, 67-833K and 37-2623 per TR 3742.

My research indicated that SRBA 37-577BV represents Water rights 67-577V & T as described by transfer 3742. I think, at least for me, the confusion with this is that I assumed that water rights 67-577V & T were represented by SRBA #'s 37-577BU and BV. However, I do not think that 37-577BU is any part of 67-577V or T.

My research indicates that 37-577BU is a totally separate 1.2 cfs split of 67-577 that wasn't included in TR 3742 because it was already diverted from the Hiawatha Diversion. It is mentioned in the addendum to TR 3742 and is also shown delivered in the water master records. Because 67-577BU was determined to not be part of TR 3742 it didn't require some of the limiting conditions that the water rights included in TR 3742 required. In addition, the POU was not claimed as part of the PPU described in TR 3742. I recommended the POU for this right only in the QQ's it was claimed in. However, it would seem to me that since it is diverted from the same POD as the other water rights it is probably used on the same POU. If 37-577BU was amended to include the 143.8 acres recommended under the TR 3742 rights, I do not, at this time, see a reason why I could not recommend 143.8 acres POU for 37-577BU.

I know this is a lot of information to go over. Give me a call if you have questions or concerns.

Respectfully submitted,

Craig L. Saxton

Re: Valley Ranch Partners Notice of Change of Water Right Ownership
and Amended Notices of Claims for A37-00494, A37-00577BV,
A37-0495, A37-00833K, A37-12272

Dear Mr. Speck:

I apologize for the lengthy processing time on these changes. I found on the Form 42-1409(7) that you listed A37-00577BU as well as A37-00577BV, so I did change it also. The legal description was the same and it was in the name of Buckhorn Investment Co. If this was not intended, please let me know. Also, you had changed the tributary on the those that had the **Snake River** tributary to the Big Wood River, so I changed A37-00577BU as well to the **Malad River**.

As per our phone call, in your remarks in the amended A37-12271, your amendment lists the Adjudication Number original number as **A37-02683**, whereas, the original number had been **A37-02623**.

You listed on form 42-1409(7) New Owner/Claimant as Valley Ranch Partners, whereas, on the amendments you listed **The** Valley Ranch Partners. I will be glad to add - **the** - should you want it.

Should you have any questions, please feel free to contact me at this office.

Sincerely,

Judy Givens
Adjudication Secretary

Re: Valley Ranch Partners Notice of Change of Water Right Ownership
and Amended Notices of Claims for A37-00494, A37-00577BV,
A37-0495, A37-00833K, (A37-12272) A37-02623
Change of Ownership only for A37-00577BU

Dear Mr. Speck:

Finally - I have entered the above referenced Claims in our computer system your amended Claims. As we discussed, I did change A37-12271 to A37-02623 as the original water right was numbered. All references now should go to A37-02623.

Our computer system does accept Cubic Feet Per Second (CFS) point with two digits; however, consumptive use is just one digit. I entered the claims that had two digits as .2 - where you listed .25 - if you want to change to .3, please let me know.

Example: on A37-00577BV

7. Total Quantity Claimed: 1.69 cfs

8. Total consumptive use claimed is 399.2 acre feet per annum.

Please review the records and should you have any questions, please feel free to contact me at this office.

Sincerely,
