The rights for the use of water for power confirmed in this license shall be junior and subordinate to all rights for the use of water other than hydropower, within the State of Idaho that are initiated later in time than the priority of this right and shall not give rise to any right or claim against any future rights for the use of water, other than hydropower, within the State of Idaho initiated later in time than the priority of this right.

A fish screen of 1/4 inch or smaller mesh shall be installed and maintained at the point of diversion.

The irrigation occurring under this domestic use shall not exceed 1/2 acre.

Use of water under this power right shall be non-consumptive.

The term of this water right license shall extend to December 31, 2039. Prior to the expiration of the term, the Director may issue an order canceling all or any part of the use authorized herein, may establish a new term, or may revise, delete, or add conditions under which the water right license may be exercised. The order shall take effect on the date the current term expires. If the Director does not issue such an order, the term shall automatically extend to a length equal to the project's prior term and any prior conditions on the water right license shall remain in effect.

RE: Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Notice of Claim to a Water Right

Dear Mr. Hanson:

In regard to our recent phone conversation, enclosed is a water right claim form with instructions and a map. This claim is based on licensed right 97-7518 so most of the information has already been completed. However, please review the information for accuracy and if you notice anything that's incorrect, simply cross out the old information and put in the new. Sign and initial any changes that you make and then sign and date under item 14 on the claim. For the map - please show where the diversion from the unnamed stream is located. The fee for the claim will be \$53.50 which is based on a flat rate of \$50.00 for the claim and a variable rate of \$3.50 per kilowatt.

Please return to our Coeur d'Alene office at the address listed above. Please feel free to contact me if you have any questions. I can be reached at (208) 762-2800 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Senior Water Resource Agent
