**Re: Blaine County School District No. 61 -
SRBA Claims for portions of Water Right Nos. 37-639 and 37-640**

Dear Steve:

As we discussed last week, I have prepared the above-referenced claims for Blaine County School District No. 61 for lands it owns south of the city of Carey. The signed originals and one copy of each of these Claims are enclosed for filing. Would you please have your secretary receipt date stamp the copies and return them to me in the postage prepaid, self-addressed envelope included for that purpose. I have also included a filing fee check in the sum of \$111 calculated on the basis of \$50 for each claim and \$11 for the per acre fee. I ask that any late claim fee be waived by the Department as we have promptly and quickly taken action to get these claims filed once we became aware of the appurtenant water rights.

Please call me right away if you have any questions about these claims. Thank you for your cooperation and assistance in these matters.

Sincerely yours,
