Subject: Claims by Douthit & Dudley...

Hi Kevin,

Did you ever get a chance to talk to Struthers or Browning about this piece they sold to Douthit & Dudley? D&D submitted an ownership change/split back in 1990 and told us they were to receive: 3" (0.06 cfs) of 37-664A; 4" (0.08 cfs) of 37-665E; 7.5 " (0.15 cfs) of 37-666C; and 15" (0.30 cfs) of 37-667G. You show delivery of 20" (0.04 cfs) of 37-667 only. If I recommend the D&D rights as claimed, I think there will be a problem with over-appropriation. At this point, I guess I'll recommend the 0.30 cfs they've claimed from 37-667 (even though you show delivery of 0.40 cfs) and disallow the other D&D claims and let the parties figure it out! Jeanie

Subject: questions on the district 45 canal deliveries...

Hi Kevin,
I thought I'd just email you a list of questions and/or discrepancies I have found during my review of rights:

Stevenson - in your records for a set of rights for 79 acres in the SWSE and SESE of Sec. 19, T01N, R19E everything matched okay except on one for 2.28 cfs with a 6/15/1891 priority date. Your records show only 0.78 cfs being delivered under 37-667. His claim says it is for 0.78 cfs from -667 **and** 1.5 cfs from -480. It also says he bought that 1.5 cfs in 1983 but never officially transferred it to his land. It had been used in the S 1/2 of Sec. 1, T01N, R 18E and the NWNW and NENW of Sec. 12, all west of Hwy 75. Both places of use were served by the district canal. Are you delivering this right? Where?

Dudley - your records show delivery of 0.4 cfs from -667, 6/15/1891, on 20 acres in the NENE and SENE of Sec. 29, T01N, R19E, aka . Claims are for 0.06 cfs from -664, 7/10/1884; 0.08 cfs from -665, 10/15/1884; 0.15 cfs from -666, 6/12/1886, and 0.3 cfs from -667, 6/15/1891.

BS Ranch - your records show a set of rights for the BS but I have claims for a **second set** of Browning rights on 20 acres in the SESE of Sec. 29, T01N, R19E, aka Lot 3A of the BS Ranch Sub. They are .08 cfs from -114, 5/1/1886; 0.065 from -664, 7/10/1884; 0.09 cfs from -665, 10/15/1884; 0.15 cfs from -666, 6/12/1886; 0.3 cfs from -667, 6/15/1891; and 0.035 cfs from -577. I think the BS rights should be split in half to allow for these.

B & M Ranch LLC - your records show John L. Welsh. We show ownership change to B&M Ranch.

Browning - 37-665R, 10/15/1884, for Lot 4A of the BS Ranch Sub. in the NENW and NWNW of Sec. 29, our records and yours showed 0.09 cfs as the diversion rate but I realized the previous split was done incorrectly and there is only 0.08 cfs available for this right.

This is what I have discovered so far. If I find others, I will email again. Let me know what you think.
Thanks, Jeanie
