RE: Change of Ownership of SRBA claim 37-00667H & 37-02705

Dear Mr. & Mrs. Stilo,

Pursuant to your request for a change in ownership and/or the notification that you recently purchased portions of the property in which the above-referenced adjudication claim(s) is appurtenant, the department has changed the record of the current owner as requested for rights 37-00667H and 37-02705. This resulted in a split of the base right and your new portions are now labeled 37-00667V and 37-02705B.

Please find enclosed a copy of your adjudication report, as it now appears in our records. Please refer to this number in your future correspondence with IDWR.

Also enclosed is the form to file for a Transfer of Point of Diversion. This application is necessary if you plan to relocate the well used for this water right claim. In my discussion with Robert Struthers he indicated you would be re-drilling a new well for use with this right. This form will expedite your development of a new Point of Diversion when you are ready to change the system.

If you have any further corrections or questions please contact our office.

Sincerely,

STEVE CLELLAND  
Sr. Water Resource Agent
