- Mr. Strickland visited Kelly at Southern & they called me
- I said that since 37-679A, 37-679B, & 37-679C were in decreed places of use we did not know if they were sold water w/ land. Thus I recommended a portion of what they claimed for Domestic
- Mr. Strickland will try to get deeds & see if water was mentioned → he says he didn't sell them water with the land.
- Mr. Strickland will also try to get a narrative saying water was never used on west side of river.
