Hanson Claims - A37-00578D, A37-00688B

Dear Mr. Speck,

Unexplainedly, your very dated letter to Jim Stanton found its way to this office. The receipt of the above claims is noted on your enclosed copies as you requested.

In addition, the two Big Wood River water right claims have been amended as a result of the transfer approved in 1989 to change the point of diversion. Copies prepared from our computer files of these water right claims are also enclosed.

I suspect you have satisfied yourself with your computer access account that your clients' claims were processed; however, I apologize for the extreme delay to your request for such a simple task.

In the future I am sure this staff can be more responsive to your requests or questions. Thank you for your patience in the past.

Sincerely,

Donald V. Shaff
