RE: Rejection of Notice of Claim to a Water Right

Dear Claimant:

The Idaho Department of Water Resources (IDWR) has received your Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Notice of Claim to a Water Right. We are unable to process your adjudication claim for the following reason(s).

The correct and full filing fee of \$25 must be submitted with the Notice of Claim in order to include your water right in the report to the court.

#2 On the claim form - The priority date. It should be the date water was first used from the source you are claiming. It could either be when the well was drilled or when your home was built. According to our records, we show a year-built date of 1991.

#5, 6, 7, 8, 9, 12, 13, & 14 On the claim form – Please see enclosed instructions.

As soon as we received your completed Notice of Claim and \$25.00 fee, it will be put through for recommendation.

I apologize for the inconvenience, and if you have any questions, please do not hesitate to contact me. I can be reached by phone during business hours at 208-762-2800.

Sincerely,

Dawn R. Lenon
