RE: Change of Ownership of Water Right Number 96-9420
Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Notice of Claim to a Water Right

Dear Mr. and Ms. Shovell:

On August 9, 2021, we received a change of ownership request on water right number 96-9420.

I'm writing to advise you that we're currently undergoing an adjudication of water rights in your area. This means that we're "taking inventory" of most of the water uses in Basins 96 and 97. Your properties in Basin 96. As a result, starting in January of 2022, the landowners in your area will be receiving a Commencement Notice from the Idaho Department of Water Resources inviting them to file a Notice of Claim to a Water Right (claim) in the Northern Idaho Adjudication (NIA). Landowners in Basin 97 received their notice in June 2021.

Since you'll most likely be filing a claim in the CFPRBA, the change of ownership form is not necessary because the ownership change can be made on the claim form. The cost of filing the claim is the same as the cost of the ownership change, \$25.00; so, we could take the \$25.00 you paid for the ownership change and apply it to the claim.

To simplify this process, I've created a claim based on right number 96-9420. I'm also enclosing an instruction form and a map. Please show on the map where the diversion and place of use are located. On the claim form – you may need to make some additions or changes. For example, under item one; simply cross out the original owner's name(s) and add in yours. Item five – please describe your diverting works. See also items ten through twelve. For any changes, please initial and date by the change, then sign and date under item fourteen.

Please return to our Coeur d'Alene office at the address listed above. Feel free to contact me if you have any questions. I can be reached at (208) 762-2800 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
