Re: SRBA Claim(s) 37-781A, 37-781B

Dear Mr. and Mrs. Cenarrusa:

Thank you for notifying me of the misspelling of your last name on the claims that were recently changed into your names. I apologize for missing this mistake when I proofread my data entry. Our records have been corrected and I am enclosing new notices of claims reflecting the correct spelling of your name. The reason that Janice's name appears on the claims ahead of Jerry's is that the computer is listing the names alphabetically. Review these records and if there is an error, or you have any questions, please contact me. Once again, I apologize for the mistake.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Trish'.

Dear Mr. Welch:

Enclosed please find the three Notices of Claim to a Water Right and your check #176 in the amount of 129.78, you submitted to the Twin Falls office of the Department. They are being returned for proper fees and completion of required items. The deadline for filing claims for Blaine County was October 26, 1988. Your Notices of Claim were postmarked November 1, 1988.

However, during the processing of your Notice of Claim forms, the decreed right from which two of the claims are based was pulled from the files. You will find enclosed typed Notice of Claim forms which may help you in completing the necessary information which is required on the each Notice of Claim.

Regarding the two Notices of Claim based on the 1883 decree, you will notice that the water source is actually Fish Creek. Also, quantities were not completed on your claims. The amount typed in is a division of the original decree based on the acreage on each Notice of Claim.

The points of diversion listed on these three Notices is unclear. You did not complete Item 5 (description of existing diversion works). Are there several points of diversion? How is the water diverted? Please complete Item 5 and make any necessary changes to Item 4.

The Notice of Claim for irrigation in the name of Mary Welch was not signed, notarized, nor was the last page completed. This must be signed and notarized in order for the claim to be processed. Also, a priority date must be entered in Item 2.

Correct fees are as follows:

A37-00781A	\$130	+	\$50 late fee	=	\$180
A37-00781B	\$128	+	\$50 late fee	=	\$178

Please feel free to make any corrections or changes on the typed forms and submit them in place of your hand-written forms. However, please be sure to sign them and have them notarized.

Please do not hesitate to call if you have any questions or need any assistance. If you wish to have assistance in completing the forms from Adjudication staff, let me suggest you call the Twin Falls office listed on page 13 of the Instructions for an appointment that would be convenient to you.

yesterday Bob Simpson - WM for Little Wood I.D suggested I call Lawrence Kimball - WM for Fish Creek Canal Co, so I did and he said he had to be on his way to work and recommended I call Doug Surveys Board of Director for Fish Cr Co - he knows the system diversions, lands and water rights better than he, so I called and met with Doug.

He advised me that water rights 37-781A & 781B are both delivered from a Fish Cr Canal then thru pipe to both properties see photo (1) 37-781A site

Doug did confirm the properties owned by Janice Enayruse
