Notes

T1N R14E Section 16

- Found 187 acres for Irrigation.
- 7/17/06 – Talked with Sue Harrison of Intermountain Christian Group on the telephone. Ms. Harrison said they bought the property from Fletchers in 1993 and now use it as a youth ranch. They have not irrigated since they bought the property. The youth ranch board needs to determine if they are going to pursue claims 37-855, 37-1233, and 37-4358, the board meets next in September. Ms. Harrison has no background in water rights so I tried to give her a crash course about these water rights and what their options are. She requested that I send her the claim information and she will try to talk with some people about how they want to proceed.
- 9/12/06 – Have not heard from Sue Harrison or Intermountain Christian Group since letter sent July 18, 2006. Reviewed claims as submitted.

- Decrees not available in State office vault. Since there are no remarks on water right in the database, assuming that these water rights are not superseded.
- Appears that water has been historically used in a PPU.
- Recommendations:
 - Assuming accomplished transfer of POUs
 - Combined use limit of 187 acres
 - 37-855: 1.6 cfs for Irrigation of 80 acres within 187-acre PPU
 - 37-1233: 3.2 cfs for Irrigation of 153 acres within 187-acre PPU
 - 37-4358: No evidence of priority submitted. Claim disallowed.
- Data used for review: 1987, 1992, & 2004 aerial photos, Camas Co Tax Records, Idaho Ownership (idown.shp), & USGS 1:24,000 Topo

11/20/06 - Art Frerud called 208-543-4102

RE: Snake River Basin Adjudication claims 37-855, 37-1233, and 37-4358.

Dear Ms. Harrison,

As you requested, attached are the claim documents Snake River Basin Adjudication (SRBA) claims 37-855, 37-1233, and 37-4358. After each claim I have included a 1987 aerial photo with the claimed place of use (POU) outlined in yellow, the decreed POU outline in green, and a yellow circle for the claimed point of diversion (POD).

Please note that you will need to document the start of the water use in claim 37-4358 to establish a priority date for this water use. Enclosed is a pamphlet describing types of evidence of priority that can be used to support the priority date. If evidence of priority is not submitted for claim 37-4358, the claim will be disallowed in the SRBA.

Feel free to contact me at (208) 287-4937 if you have any questions or want to discuss these water right claims.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Matt Anders', is written over a faint, larger signature that appears to be 'Karl J. Dreher'.

A BIT OF OUR HISTORY

In February 1993 the Intermountain Christian Camp and the South Idaho Christian Youth Ranch agreed to join the Boise Christian Youth Ranch, keeping the name Intermountain Christian Camp. We agreed to join the Boise Christian Youth Ranch.

The property is called Bundy Youth Ranch in honor of the Bundy family who homesteaded the property. Bundy's grandson, LeRoy Fletcher who sold us the property at a very low price, requested that we use the property always be used for the benefit of young people.
