Dear Mr. Wheeler,

The Department of Water Resources will be conducting field examinations in your area from May 11 through May 15, 1992. After these examinations are complete, your water rights will be recommended for licensing by the Department or decree by Judge Hurlbutt in the Snake River Basin Adjudication. The recommendations will be based on our findings in the field.

Information on your permit or claim that may need to be verified includes: the source of water used, water uses and amounts of use, legal descriptions of the point of diversion and place of water use and, in some cases, the claimed date of priority.

It is not mandatory that you accompany the field agent during the examination. However, it would be most helpful for yourself, or a knowledgeable representative, to be available should questions arise.

If you have questions, or wish to schedule the examination, please call (208)327-7925 and speak to Roxanne McCarthy or Helen Thornton.

Sincerely,

Roxanne McCarthy
