RE: SNAKE RIVER BASIN ADJUDICATION (SRBA) CLAIM(S): 37-2344, 37-472, 37-21460

Dear Steve

Mr. and Mrs. Rodney Hubsmith came in today with questions to their recommendations that are in the preliminary stages in Basin 37 part 1.

They received the 2nd round notice to file a claim on water right 37-2344. There has been no water in this unnamed slough and stream for years. However they paid the filing fee and claimed the water right license while in the office today in case there ever is water available. To get water to the POU of 37-2344, they decided to do an enlargement claim of decreed right 37-472. Therefore claim 37-21460 is an enlargement claim I issued of decreed 1.20 cfs of water right 37-472.

In this manner the POU of original license 37-2344 will have overlapping rights (License 37-2344 and enlargement 37-21460). Enclosed is a copy of the original claimed decreed right, the newly claimed enlargement right, and the newly claimed licensed right.

Please call the Hubsmiths or myself with any additional questions in recommending these rights.

Sincerely

Nick Treasure

Water Resource Agent
