RE: Snake River Basin Adjudication claims 37-2243 and 37-2243B

Dear Claimants,

Water right 37-2243 was originally licensed for a diversion rate of 4.3 cfs for irrigation of 215 acres. The following claims totaling 4.5 cfs have been filed against water right 37-2243 in the Snake River Basin Adjudication:

37-2243	ABC Agra, LLC	4.3 cfs
37-2243B	Bruce & Sherry Price	<u>0.2 cfs</u>
		4.5 cfs

However, state law mandates that I cannot recommend more than 4.3 cfs (the licensed diversion rate) for this right in the Snake River Basin Adjudication.

A possible resolution is to split the water right into two parts, with each claimant receiving a diversion rate based on the number of acres they are irrigating. Right 37-2243 was originally decreed at a rate of 0.02 cfs/acre. The number of acres being irrigated by each claimant was determined through a review of the historical aerial photos and a recent field examination. Applying the original decreed diversion rate of 0.02 cfs to the number of acres irrigated by each claimant would result in this water right being split as follows:

37-2243	ABC Agra, LLC	212 acres	4.24 cfs
37-2243B	Bruce & Sherry Price	<u>2.8 acres</u>	<u>0.06 cfs</u>
		~215 acres	4.30 cfs

Please advise me on how to resolve this issue. If you have any questions or would like to discuss this, feel free to contact me at (208) 287-4937.

Sincerely,

Matt Anders

Dear Claimant in the Snake River Basin Adjudication (SRBA):

You or the predecessor in interest of your property filed a "Notice of Claim to a Water Right in the Snake River Basin Adjudication" with the Idaho Department of Water Resources. Claim filing began in 1988, and since that time IDWR has worked to complete recommendations throughout the state. Now the investigation of "Irrigation and Other State Based Claims" is about to begin in the area where your claim(s) were filed, IDWR's administrative Basin 37. As shown in the enclosed map, this basin includes parts of Blaine, Camas, Elmore, Gooding and Lincoln counties and is subdivided into 3 parts.

If your claims are located in Basin 37 Part 2 or Part 3*, you are invited to attend a public meeting at one of the locations below on **Wednesday, September 22, 2004**:

10:00 am
Liberty Theater
116 N. Main St.
Hailey, Idaho

or

2:30 pm
Camas County Senior Citizens Center
7129 W Willow
Fairfield, ID

* Similar informational meetings were held in Basin 37 Part 1 over the last couple of years.

The purposes of this general informational meeting are to provide an update on how the adjudication process works; introduce IDWR staff that will be working in your area; and to give you the opportunity to express concerns or discuss problems relating to water delivery in your area. This will help us understand, from an historical perspective, the use and delivery of your water right.

IDWR adjudication staff will be investigating your claims beginning this year with additional field work next season. We request your cooperation in this process - the better we understand your water rights, the more accurate our recommendation will be to the SRBA Court.

Please contact our toll-free number, 1-800-451-4129, if you have any questions.

Sincerely,

Douglas Jones, P.E.
