Notes

T1S R11E Section 34; T2S R11E Section 3

- Found 173 acres for Irrigation
- 1987 aerial photo has registration errors, so 1992 and 2004 aerial photos were used to help locate POU.
- Source should be Francis Reservoir and Negro Creek and tributary to Camas Creek
- Storage components not listed on license 37-2244.
- 8/4/06 – Talked with Jim Rice (208-764-2593) on the telephone. Mr. Rice said he wants to file a claim for the Irrigation Storage and Irrigation from Storage water in Francis Reservoir. He requested that I send him a map and a claim to sign and return with the \$100 filing fee.

- Evidence of Priority for 37-21835 is the license documents for 37-2244. The engineer's field report was notarized October 1, 1914. The license says proof of beneficial use was 8/14/1914. Priority date will be 8/14/1914.
- Split analysis for 37-2244 and Storage water in Francis Dam Reservoir:
 - Licensed for 8.08 cfs from Negro Creek for Irrigation of 404 acres (0.02 cfs /acre)
 - POU for 37-2244A is 173 acres, at 0.02 cfs/acre this equals 3.5 cfs
 - POU for 37-2244B is 229 acres, at 0.02 cfs/acre this equals 4.58 cfs
 - Francis Dam Reservoir holds 330 AF
 - POU for 37-2244A is 173 acres (43% of 404 acres in 37-2244), which is 142 AF
 - POU for 37-21835 is 231 acres (57% of 404 acres in 37-2244), which is 188 AF
- Data used for review: 1987, 1992, & 2004 aerial photos, Camas Co Tax Records, Idaho Ownership (idown.shp), & USGS 1:24,000 Topo

RE: Snake River Basin Adjudication claims 37-2244A

Dear Mr. Rice,

Gwinn Rice Ranch submitted water right claim 37-2244A for the Snake River Basin Adjudication (SRBA). This claim included 3.64 cfs from Negro Creek for Irrigation of 182 acres and 148.66 AF for Irrigation from Storage and Irrigation Storage in Francis Dam Reservoir. Since the original license (37-2244) only lists 8.08 cfs for Irrigation from Negro Creek, claim 37-2244A can only include the Irrigation water from Negro Creek. An additional SRBA claim must be filed for the Irrigation from Storage and Irrigation Storage in Francis Dam Reservoir.

As you requested in our telephone conversation last Friday, enclosed is SRBA claim 37-21840. This is a new claim for the Irrigation from Storage and Irrigation Storage water in Francis Dam Reservoir. Many of the claim elements (priority date, place of use for Irrigation from Storage, etc.) are the same as claim 37-2244A, but I have updated the information regarding the point of diversion and the place for use for Irrigation Storage. Assuming you return the attached claim form to me, I plan to recommend water right 37-21840 as follows:

Priority date:	8/14/1914
Place of Use:	175 acres
Irrigation Storage:	142 Acre Feet
Irrigation from Storage:	142 Acre Feet

Please review SRBA claim 37-21840 that I have enclosed. If you feel it is correct, have it notarized and return it to me **with** a \$100 filing. Feel free to contact me at (208) 287-4937 if you have any questions or would like to discuss the claim.

Sincerely,

Matt Anders
GIS Specialist – Snake River Basin Adjudication

Lapsed Applications for Permit #37-07678 and #61-07450

Dear Water Right Holder:

Thank you for signing and returning my address change letter so promptly. I checked each of the permit numbers you wrote in your enclosure and found the following:

Applications for Permit #37-07678 and #61-07450 have lapsed. If you wish to file another Application for Permit, please call IDWR to have the form sent to you.

I could find no information whatsoever in our data base about permit #37-07026.

In response to your question about telling us when you move back to Boise in the winter and back to Hill City in the summer, yes, definitely tell us. Write down each of your water right and permit numbers, sign the note and send it to us so we can update our data base.

The only way you will know if someone has filed an objection to your water rights is if you get that notice in the mail. As you read in the Notice of Filing Director's Reports you received in March, 1999, there are deadlines by which you must have the Court's form to the Court by a specific date for both objections and responses to objections.

It would be unfortunate if you missed an important deadline or missed a hearing because your mail went to one of the
