Subject: Notice of Claim to a Water Right Question
Attachments: 97-7971 Claim.PDF

Good afternoon,

The Idaho Department of Water Resources (IDWR) is reviewing water right claims filed in the Clark Fork-Pend Oreille River Basin Adjudication. During my review of your claim 97-7971, I have a few questions regarding the home and well location. I attempted to reach you by phone, however the phone number has been disconnected.

The legal description Township 57N Range 05W Section 15 NE ¼ of SW ¼ supplied on the Notice of Claim for the well and home location does not match any property owned by yourself. I did find a property owned by you in the nearby area at 652 Peterson Rd. If this is the property you intended on claiming a water right on, please contact me to discuss correcting the legal descriptions.

I attached a copy of the claim to this email for reference. If you have any questions, my contact information is listed below. If I do not hear from you by Friday, January 7th I will send you a letter in the mail.

Sincerely,

Christopher Holmes
