RE: Change of Ownership of SRBA Claims 37-02596 & 37-04009

Dear Mr. Forehand,

Pursuant to your request for a change in ownership and/or the notification that you recently purchased portions of the property in which the above-referenced adjudication claim(s) is appurtenant, the department has changed the record of the current owner as requested for right listed above.

Please find enclosed a copy of your adjudication claim, as it now appears in our records. Please refer to this numbers above for future correspondence.

I noted in the Quitclaim Deed from Kathleen J. Cooper to Kathleen J. Cooper Revocable Trust on the last page that there is a reference to a water right 37-7537. I checked on that right and found it is relinquished on 8/10/99; It is no longer a valid right. I include this for your information since it is mentioned specifically in the deed.

If you have any further corrections or questions please contact our office.

Sincerely,

STEVE CLELLAND
Sr. Water Resource Agent

RE: Change of Ownership on SRBA Claim Nos. A37-02596 & A37-04009

Dear Mr. Forehand,

I have received the Change of Ownership request you sent to our office on October 27, 1999 and I am unable to process a change in the claim as you requested.

The deed you have submitted shows the property was owned by Kathleen J. Cooper Revocable Trust and sold to you, however, the water rights as claimed are owned by Kathleen J. and Ross Cooper. It is probably a minor technicality but you will need to provide me with the deed showing the conveyance from Mr. & Mrs. Cooper to the Cooper Trust.

Once I have the missing deed I should be able to record the conveyance of the ownership into your name.

If you have any further corrections or questions please contact our office. I have enclosed a copy of the Change of Ownership request for your review and copies of the rights as recorded with IDWR.

Sincerely,

STEVE CLELLAND
Sr. Water Resource Agent
