**MOTION TO FILE AMENDED NOTICE OF
CLAIM**

INSTRUCTIONS

This form is used to file an amendment to a Notice of Claim in a reporting area where the Director's Report has been filed. Forms may be obtained from the PRBA Court, the Idaho Department of Water Resources (IDWR), or you may copy or reproduce this blank form.

The water right number for your amended claim must be indicated above in the blank space following "Subcase." You must use a **separate form for each** amended Notice of Claim.

By filing a *Motion to File an Amended Notice of Claim*, you certify that it is well-grounded in fact; is warranted by existing law or a good-faith argument for the extension, modification or reversal of existing law; and is not filed for any improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation.

A *Motion to File an Amended Notice of Claim* may require a hearing before the Presiding Judge or Special Master or may be granted by leave of the court or by written consent of the parties and the Idaho Department of Water Resources. Leave to amend a claim shall be freely given when justice so requires.
