RE: Clark Fork-Pend Oreille River Basin Adjudication claim 97-8230
Violation of the Mandatory Permit Statute

Dear Claimant(s):

The Idaho Department of Water Resources (IDWR) recently received the adjudication claim referenced above. Initial review of your claim indicates the priority date claimed is in violation of the Mandatory Permit Statute for the water source and purpose of use claimed.

The permit system for establishing a water right became mandatory for uses developed from ground water after March 25, 1963 (except for domestic purposes as defined by Section 42-111, Idaho Code), and for uses developed from surface water after May 20, 1971 (except for watering stock directly from streams).

The priority date claimed indicates that use of water for the purposes claimed began after May 20, 1971, from surface water. Because a water right was not previously established under the permit system, an "Application for Permit" form should be filed instead of this claim. The adjudication claim fee you paid can be applied to the fee for the application for permit.

An Application for Permit form with instructions is enclosed along with a "Request for Withdrawal of Claim with Filing fees Applied to Application for Permit" form. You may also access the Application for Permit form as a "fillable" PDF file on IDWR's website under Water Right Forms at the URL shown below.

Please do not hesitate to contact this office if you have any questions or concerns.

Sincerely,

Craig L. Saxton
