RE: Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Notice of Claim to a Water Right

Dear Mr. and Ms. Mohr:

The Idaho Department of Water Resources is currently reviewing Notice of Claim to a Water Right number 97-7539, for recommendation in the CFPRBA. During this review, several items came to my attention. They are:

1. Item 4 - Legal Description and parcel number for the Priest Lake diversion.
2. Item 9 – Parcel number at the place of use (home).

For item 4, the legal description is claimed as T61N, R04W, Section 28, [NE1/4NW1/4\(3\)](#) and the parcel number is shown as [RP059650020040A](#). The license shows the legal description of the diversion as the [NE1/4NW1/4NW1/4](#) in T61N, R04W, Section 28, and the parcel information shows your parcel number as [RP059650020030A](#). The map that you sent in with the claim correctly shows the diversion and place of use but to avoid any confusion, I have created an amended claim and corrected the legal descriptions in items 4 and 9.

To ensure the accuracy of this information I have included a copy of the original license, along with parcel information, for your review.

If this is accurate, all you need do is sign and date the claim under item 14 and return to my attention at the address listed above. If not, do nothing and we'll continue our review of the claim as originally filed. However, I need to know either way, so please return the claim, or advise me by **February 4, 2022**, so we can complete the recommendation of your claim in a timely manner.

Be sure to contact me if you have any questions. I can be reached at (208) 762-2800 or by email at linda.werner@idwr.idaho.gov. Please be sure to return the claim by U.S. Postal Service as we need the original copy.

Sincerely,

Linda A. Werner
