RE: Clark Fork-Pend Oreille River Basin Adjudication
Claims 97-7172, 97-7445, 97-7882

Mr. Gregory,

Below I will try to summarize where I think you are in the claim filing process and then make some suggestions as to how you might want to move forward.

On September 24, 2021, you submitted payment for what I think was intended to be 3 claims:

97-7172 – Property at **38 SHADY LN** - \$25 fees paid

- This is a guess. We don't have a copy of the claim record. But this is a license in your name and you paid filing fees that would match fees for this claim if you claimed it as a small Domestic use.

•

97-7445 – Property at **38 SHADY LN** - \$25 fees paid

- This claim was complete.

97-7882 – Property at **242 Old Schneider Road** - \$25 fees paid

- This claim was partially in IDWR's database, but I have no copies of the paper record.

242 Old Schneider Rd

This is an easy fix. I have enclosed a completed claim for 97-7882 and all you need to do is sign it and return in the postage paid envelop.

38 SHADY LN

The property at 38 Shady Ln is covered with two licenses that were issued in 1983 (97-7172) and 2008 (97-7445).

You claimed 97-7445, the newest of the two licenses.

After reviewing both licenses, I don't see that there is a benefit to claim both. The use described under 97-7445 is covered under the older license 97-7172. The real benefit is to claim the older license 97-7172. License 97-7172 has the senior priority date and authorizes diversion of more water.

I am enclosing 3 items:

- Claim 97-7882. Please sign and return. No fees required.
- Claim 97-7172. Please sign and return. No fees required.
- Withdrawal form for 97-7445. If you are not comfortable withdrawing your claim, it is certainly not a requirement.

Please do not hesitate to let me know if you have any questions or concerns.

Respectfully,

Craig L. Saxton
Adjudication Section Manager
