SUBJECT: Coeur d'Alene-Spokane River Basin (CSRBA) Claim Renumbered to 95-18251

Dear claimants,

The Idaho Department of Water Resources (IDWR) has been notified that the District Court has received a late claim based on license 95-9671. This claim is for the remainder of license 95-9671 that was not previously claimed in the adjudication process. Because a portion of license 95-9671 has already been claimed, recommended, and decreed in the CSRBA, IDWR has renumbered this late claim to **95-18251**.

If you have any questions regarding the late claim renumbering, please contact IDWR Northern Regional Office at (208) 762-2800.

Sincerely,

Christopher Holmes
Senior Water Resource Agent
