37-2664B & 37-501F

37-2664B POU shape based on Blain Co tax lot information: claimant does not own all claimed acres under 37-2664B.

Transfer #3614 split 20 acres and 30" (0.60 cfs) from licensed right 37-2664 and changed the point of diversion for the purchased portion under 37-2664B.

Decreed right 37-501F also claimed on this POU.

37-501F claimed POU 22 acres but, again, claimant does not own 22 acres and, as stated on Transfer #3614, only 20 acres of this claimed POU were ever irrigated.

ADJUDICATION AGENT: Please see the claim, A37-00501F, it appears there is an error regarding the Township related to the Place of Use. From the documentation from both original claims/files, it appears the change needs to reflect "T01N" similiar to the map that was included with the original file.

Thank You.

3. Source of water Groundwater tributary to _____
4. Point(s) of Diversion: _____

[illegible]

5. Lands irrigated or place of use:

[illegible]

Total acres 20

PART 1**6. General Information:**

a. Description of diversion system 15 hp submersible pump, 10" x 100' well, handline sprinklers

b. Are the lands from which you propose to transfer the water right subject to any liens, deeds of trust, mortgages, or contracts? _____ Yes XX No. If yes, provide a notarized statement from the holder of the lien, deed of trust, mortgage or contract agreeing to the proposed changes.

c. Describe the affect on the land now irrigated if the place of use is changed pursuant to this transfer:

Land will continue to be irrigated. 1886 water from Big Wood River is used as long as it is available (until about July 1), then the well is used. Of the 22 acres I own, about 20 acres are actually irrigated.

d. Remarks:

This land is very gravelly, but could be irrigated with 1" per acre using sprinklers. I work long hours at my job, however, and do not have much time to move sprinklers. The diversion rate of more than 1"/acre will allow more sprinklers to be used for a shorter time in order to save labor. The allowable annual volume will not be exceeded.
