RE:

CALLIN

NOE - COO

He called to ask more questions on the rights he now owns and is trying to put in his name. We discussed the claim 37-10158; it is not clear if this is for additional waters or is an enlargement of the license 37-7197. If more water then he should probably file a new permit otherwise the enlargement claim is filed. I suggested he gather the facts together of the well flows, irrigated acreage and visit with Jeff Martin, then go to Southern region to file whatever is necessary. He said the well produces 2000 gpm which is the same as the licensed rate. We did some brief theoretical calc. and they confirm the flow is already licensed.

He asked about his sons property owned previously by **Kisling**. I found a claim for that name and it appears to be the correct site. He needs to file a COO for that claim also. Claim is 37-2654 and D/S claim 37-10183, (Permit 37-8078?).

I reminded him to be done before the DR is issued in August.
