Elaine,

I am attaching 3 documents

1. **Amended Notice of Claim** where I have updated the place of use to match what we spoke about, and I have renumbered your claim from 96-10300 to your original license number of 96-9127. I have highlighted the changes I made.
2. Claim map...just to make sure everything looks right
3. The original license 96-9127. This is just so you can compare your claim with the license.

When satisfied, sign the AMENDED CLAIM and return it to me. You can scan it and e-mail it back to me, or you can mail it to:
