Priority Date Explanation:

License 96-9259 incorrectly described the entire place of use in NWNE of Section 29. The point of diversion is in the NWNE but the place of use is primarily in the NENE of section 29. License 96-9259 was issued on August 31, 2009. This claims an accomplished change in place of use to correct the error in licensing.

Domestic use is for 8 homes.

The irrigation occurring under this domestic use shall not exceed 1/2 acre within each platted subdivision lot upon which a home has been constructed. This right does not provide for irrigation of common areas or for irrigation of lots upon which homes have not been constructed.

This right does not grant any right-of-way or easement across the land of another.
