Dear Mr. Snyder:

I am contacting you by e-mail as a follow up to the voicemail I left you earlier this morning. The Idaho Department of Water Resources (IDWR) recently received adjudication claim 96-10223 submitted through IDWR's online claim filing application. I have attached a copy of the claim.

As I was looking at the claim, I noticed that the Bonner County parcel data indicates that the claimed place of use appears to be owned by the KLEM TRUST.

I poked around some more and found Water Right **License 96-9797** (attached).

Because many of the elements on [claim](#) 96-10223 are close to the elements on [license](#) 96-9797, and because the ownership on the claimed place of use for 96-10223 is the KLEM TRUST, I thought that maybe your intention was to claim the use described under license 96-9797?

I have taken the liberty of preparing an amended claim for you to review. The amended claim reflects the elements of license 96-9797.

If after reviewing the documents, you decide that you want to amend your claim so it claims license 96-9797, then just sign the claim and return it to me. There are no additional filing fees. You can scan it and send it by e-mail, or you can mail it to:
