Re: A37-07333B, A37-07282B

Dear Ms. Backlund:

Enclosed is the warranty deed showing sale of property and water rights to Mr. Joseph McAllister from Mr. Claude Hinkle. Please note that due to a typographic error, the warranty deed lists the incorrect claim number (the number listed on the deed does not correspond to any claim in the IDWR database). Also, claim A37-07282B is not specifically listed on the deed. However, the two claims are identical as to diversion rate, point of diversion, and place of use, so it is clear that A37-07282B was purchased with the land as well.

Please call if you have any questions.

RE: Licenses 37-7282 and 37-7333 and Receipt 5010264
Bar H Bar Ranch

Dear Mr. Jones:

We would like to withdraw our application for water transfer. The reason being that the Schmidts (previous owners) have made arrangements to purchase the property back. They have first purchase right under the 1987 Farm Act and have exercised it.

We would like to request a refund of the application fee of approximately \$50.

Sincerely,

Walter G. Wells
Senior Credit Officer

WGW:ch

The land and licenses involved were originally split when Farm Credit Bank of Spokane took possession of the farm from the Schmidt's, divided the water rights, and filed claims on all the water including A37-07282B and A37-07333B. FCB also filed Applications of Transfers for both claims, however, the Schmidt's subsequently purchased part of the land back from FCB, sold it to William Richardson. FCB wrote a letter to Doug Jones, Southern Region Office of IDWR, requesting the withdrawal of the Application for Transfer of Licenses 37-7282 and 37-7333, but a Change of Ownership of the "B" portions of these licenses was never filed to put the water into the name of William Richardson. A Change of Ownership filed by FCB on 4/30/1990 transferred the other three rights - A37-02218, 07403 and 04297 to Mr. Richardson.

Re: Water Rights A37-07333B and A37-07282B

Dear Doug:

Pursuant to our conversation today, I am enclosing the original request for change of ownership of the above referenced water rights from Joseph McAllister to Doug Robens. The sales transaction did not take place, therefore I am also enclosing a copy of the change of ownership from Doug back to Joe.

Since the original was never filed with your office, the entire transaction has been negated and is unnecessary. Please call this office if you have any further questions. Thank you for your courtesy and assistance.

Sincerely,

Lisa R. Phillips

Re: Water Rights

Dear Jim:

Enclosed please find a transfer of Water Rights that was originally owned by Joseph McAllister and Doug Robens in the interest of doing a sale and breaking up the parcel referenced in the information attached. As it turned out, the sale was not completed. I have enclosed a Transfer of Water Rights back from Doug Roben's so that the full water rights are in tact under Joe McAllister's name only. Please do not hesitate to contact me if you have any questions or if you need additional documentation.

Re: Recommendations...

The original claims were filed on 11/30/89 by Farm Credit Services of Spokane. They were based on a transfer, receipted on 10/23/89, which would have split off 2.18 cfs from each right on 109 acres. (Apparently, a portion of the property was being repossessed at the time.) The transfer was later withdrawn and the money refunded. Based on a proportionate share of the original licenses, and any system capacity limitations of the well, these claims should probably be changed as follows:

37-07282 6.4 cfs 453 ac (6.4 cfs/ 453 ac = 0.014 cfs/ac)
--- 0.014 cfs X 109 ac = 1.52 cfs---

A37-07282B 1.52 cfs 109 ac

37-07333 4.8 cfs 611 ac (4.8 cfs/ 611 ac = 0.007 cfs/ac),
limited to total of 6.4 cfs when combined with 37-07282)
---0.007 X 109 ac = 0.76 cfs, limited to 1.52 cfs when
combined with A37-07282B---

A37-07333B 0.76 cfs 109 ac, limited to 1.52 cfs when combined with A37-07282B

***A37-13251 combines 4.85 cfs of 37-07282 and 3.94 cfs of 37-07282 (limited to 5.11 cfs due to pumping capacity of well) on 501 ac
