Notes

T2S R12E Sections 7 & 8

- PODs digitized based on license documents.
- Tax records do not list an owner for most of this land.
- 37-7680 claimed less acres than licensed and 37-7796 claimed more acres than licensed.
- Found 789 acres based on claim map, which is significantly more acres than the claimed acres. Note that the SWNW, NWSW, & SWSW in Section 7 are correction QQ in the GCDB and only 35 acres. Based on 1987 & 1992 aerial photos, claimant could probably claim more irrigated acres. 11/15/05 no answer at telephone number listed on claim.
- Combined these rights are 0.012 cfs per/acre on the 758 acres. Recommended 37-7680 and 37-7796 for 758 acres, with 37-7796 limited to 640 acres within PPU. Recommended 758 acres, but linked the shape I created (789 acres) to the ECVR.
- Data used for review: 1987, 1992, & 2004 aerial photos, Camas Co Tax Records, Idaho Ownership (idown.shp), & USGS 1:24,000 Topo

Lapsed Applications for Permit #37-07678 and #61-07450

Dear Water Right Holder:

Thank you for signing and returning my address change letter so promptly. I checked each of the permit numbers you wrote in your enclosure and found the following:

Applications for Permit #37-07678 and #61-07450 have lapsed. If you wish to file another Application for Permit, please call IDWR to have the form sent to you.

I could find no information whatsoever in our data base about permit #37-07026.

In response to your question about telling us when you move back to Boise in the winter and back to Hill City in the summer, yes, definitely tell us. Write down each of your water right and permit numbers, sign the note and send it to us so we can update our data base.

The only way you will know if someone has filed an objection to your water rights is if you get that notice in the mail. As you read in the Notice of Filing Director's Reports you received in March, 1999, there are deadlines by which you must have the Court's form to the Court by a specific date for both objections and responses to objections.

It would be unfortunate if you missed an important deadline or missed a hearing because your mail went to one of the

addresses and you were living at the other address. IDWR can help you avoid this event if you'll keep us posted of your changes.

Sincerely,
