Lapsed Applications for Permit #37-07678 and #61-07450

Dear Water Right Holder:

Thank you for signing and returning my address change letter so promptly. I checked each of the permit numbers you wrote in your enclosure and found the following:

Applications for Permit #37-07678 and #61-07450 have lapsed. If you wish to file another Application for Permit, please call IDWR to have the form sent to you.

I could find no information whatsoever in our data base about permit #37-07026.

In response to your question about telling us when you move back to Boise in the winter and back to Hill City in the summer, yes, definitely tell us. Write down each of your water right and permit numbers, sign the note and send it to us so we can update our data base.

The only way you will know if someone has filed an objection to your water rights is if you get that notice in the mail. As you read in the Notice of Filing Director's Reports you received in March, 1999, there are deadlines by which you must have the Court's form to the Court by a specific date for both objections and responses to objections.

It would be unfortunate if you missed an important deadline or missed a hearing because your mail went to one of the

addresses and you were living at the other address. IDWR can help you avoid this event if you'll keep us posted of your changes.

Sincerely,
