Priority Date Explanation:

The term of this water right license shall extend to December 31, 2042. Prior to the expiration of the term, the Director may issue an order canceling all or any part of the use authorized herein, may establish a new term, or may revise, delete, or add conditions under which the water right permit may be exercised. The order shall take effect on the date the current term expires. If the Director does not issue such an order, the term shall automatically extend to a length equal to the project's prior term and any prior conditions on the water right permit shall remain in effect.

This right does not constitute Idaho Public Utilities Commission or Federal Energy Regulatory Commission approval that may be required.

This right does not grant any right-of-way or easement across the land of another.

The rights for the use of water confirmed in this license shall be junior and subordinate to all rights for the use of water other than hydropower, within the State of Idaho that are initiated later in time than the priority of this right and shall not give rise to any right or claim against any future rights for the use of water, other than hydropower, within the State of Idaho initiated later in time than the priority of this right.

Use of water under this power right shall be non-consumptive.
