Dear Ms. Jevne,

As per our telephone conversation earlier today and based on the legal description which you FAXED, I have identified two Adjudication Claims, a Permit, and Stock in the Little Wood Canal Company as being appurtenant to this property.

Adjudication Claims: A37-01026B and A37-11580

There are two ways to change the Adjudication Claims into your name, either by having the former owner sign the completed NEW PROPERTY OWNER NOTICE OF CHANGE OF WATER RIGHT OWNERSHIP FORM or by attaching the necessary proof to the completed form. Proof can be in the form of a Warranty Deed that includes a legal description of the property, in which case the former owner's signature is not required.

Permit: 37-07844

A Permit is considered personal property and does not go with the land. Proof of beneficial use was submitted in 1985 and as such the permit is required to be claimed in the adjudication to remain a valid right. I don't know the status of this right, however, to obtain legal title to this permit, the former owner must assign the right to you. I have enclosed an ASSIGNMENT OF APPLICATION FOR PERMIT FORM for your use.

Shares and stocks in canal companies are handled through the company itself. You may want to contact them directly as to how to get the ownership into your name.

I have also enclosed some pamphlets on the Adjudication process as you requested. Please feel free to contact me if you have any questions or need any further clarification on these matters.

Sincerely,

A handwritten signature in cursive script that reads 'Jeanie'.

RE: Assignment of Permit 37-07844
SRBA Claim A37-07844

Dear Darlene:

Please find enclosed several assignment forms for your use. The purpose of these assignments is to get the permit ultimately into your name. As I understand the original permit holder (Mr. Clarence Mecham) is deceased. You will need to fill out an assignment form for each segment of the trail of title of the permit. For example it may go:

segment 1	from Clarence Mecham to the Estate
segment 2	then to from the Estate to Krea Mecham
segment 3	then from Krea Mecham to you

you will need to get each assignment signed by the proper person. For example for the trail above, the assignments for segments 1 & 2 should be signed by the administrator for the estate and then for segment 3 Mr. Krea Mecham will need to sign it. Please understand the above is just an example; I don't know how the trail of ownership has gone for this permit since it is personal property.

Please also find enclosed your receipt for the \$81.00 fee you paid for filing the SRBA Claim for the permit. As we discussed the SRBA claim is required since proof of beneficial use was filed in 1985 prior to commencement of the adjudication so it is included in the court case.

Please contact our office next season when you are using the water developed under the permit so that we might complete the licensing exam for the permit.

If you have further questions please feel free to contact our office.

Sincerely,

Allen D. Merritt, P.E.
Water Rights Supervisor

MEMO TO FILE

The fee for this claim was \$81.00. It is for a Permit which is still in the name of the former owner of the property. Ms. Jevne took several Assignment of Permit forms and may attempt to get the Permit into her name, but this may be difficult as the Applicant is now deceased. Proof of Beneficial Use was submitted on June 25, 1985 but a Field Exam has never been performed because the system was off when an agent attempted to do the exam. The acres overlap acres which were paid for by claim #A37-01026B, except for 11 acres in the SWSE of Section 31, T01N, R21E; 11 acres in the NWSW of Section 5, T01S, R21E; and 9 acres in the NESE of Section 6, T01S, R21E. No late fee was assessed because Ms. Jevne purchased the property in May of 1992, which was after the filing deadline of 10-26-88 in Blaine County, and the Department has not sent Round Two Service to Blaine County as of this date.

50.00 filing fee
31.00 acres at \$1.00 per acre
\$81.00 total
