SUBJECT: Questions on status of permits, Aj claims based
on permits
phone call (.) walk-in (X)

Had some permits that he wanted to make sure everything had been done on as well as the AJ claims based on those permits. Two of them had claims and at this point the water right files have been sent to the State Office for issue of the Licenses (A37-07863 and A37-07911). The other two didn't require proof of beneficial use to be submitted till 1999 so AJ claims weren't required for them (37-08262 and 37-08113). Told him it looked like everything was done that was required for now...the ball was in our court, so to speak.
