Dear Mr. Allen:

Pursuant to your recent inquiry, I have researched the Department's records of water rights and Snake River Basin Adjudication filings in the SESW $\frac{1}{4}$ of Section 2 (T02N, R18E). I did not find any records in your name, but I did find some records in the name of Owen & Pearl Stapleton who were the previous owners of the property you were inquiring about.

The Stapletons are the recorded owners of water right license 37-07958 for the diversion of groundwater from two wells for the irrigation of 1.5 acres. The Stapletons filed a Snake River Basin Adjudication Claim, A37-07958, based on this particular license. In addition, the Stapletons filed a Snake River Basin Adjudication claim, A37-11371, for the diversion of groundwater from a well for domestic use for one home. I have included proof reports of license 37-07958 and claims A37-07958 and A37-11371 for your reference.

If the Stapletons conveyed these rights/claims to you when you purchased the property, you are required by Idaho law to have the recorded ownership of these rights/claims changed to your name. I have enclosed a form entitled "Notice of Change of Water Right Ownership" for your possible use. Please note that instructions for completing the form are on the back of the form, and that item 2 of the form requires that additional information be submitted. Submitting this completed form, along with the required additional information, will enable our office to change the recorded owner of water rights &/or claims.

PAGE 2

I have also enclosed a pamphlet entitled "Idaho Water Rights A Primer" for your use and reference. This pamphlet outlines several important facts about water rights in Idaho and should prove to be useful reading. If you have any questions, or need any further assistance, feel free to contact this office at your convenience.

Sincerely,

A handwritten signature in dark ink, appearing to read "Corey Skinner", with a stylized, flowing script.
