Dear Mr. Enos:

Pursuant to your recent request, I have included some proof reports of Department records for your reference. Please find enclosed proof reports of the following records:

Snake River Basin Adjudication Claim **A37-12421**

Snake River Basin Adjudication Claim **A37-08011**

Water Right Record of Licensed Right **37-08011A**

Snake River Basin Adjudication Claim A37-12421 was filed in 1988 by Iola Montgomery for the diversion of water from a well for domestic use. Snake River Basin Adjudication Claim A37-08011 was filed in 1988 by Iola Montgomery for the diversion of water from a well for irrigation use.

Claim A37-08011 was based on water right permit 37-08011, which was licensed as water right license 37-08011 in 1989 in the name of A.L. Montgomery. In 1990, Rodney & Rosan McCoy filed an application for transfer, number 3692, to split off a portion of licensed right 37-08011. This application was approved in 1990, and split water right license 37-08011 into parts 37-08011A (in the name of Montgomery) and **37-08011B** (in the name of McCoy). Since the Snake River Basin Adjudication claim records, A37-12421 and A37-08011, are merely recorded statements from the claimant regarding water use, and have

not yet been verified or updated in the ongoing Snake River Basin Adjudication, water right record 37-08011A is probably the most accurate record regarding the irrigation water right on the Montgomery place.
